

## TUBE FORGINGS *of* AMERICA INC.

---

*Celebrating 60 Years of Quality, Service and Dependability*

June 1, 2020

To Our Valued Customers,

I am pleased to announce that TFA will be reopening our manufacturing operations on Monday, June 22, 2020. While our Customer Service reps have been working remotely from home during our shutdown, they also will be returning to our office on June 22<sup>nd</sup>. You can expect an update from them shortly on your open orders of High Yield and made-to-order fittings.

We appreciate your support and confidence in allowing us to service your Carbon Steel fitting requirements when our manufacturing operations were shutdown.

Please do not hesitate to contact me if you have any questions.

Thanks.

Pat
